- ✓ Approved and included in the **2024 performance tables**
- ✓ Available to teach from **September 2022**
- ✓ Engaging content to improve financial understanding and career prospects
- ✓ Included - extensive teaching resources and textbooks for all learners

INTRODUCTION

- This guide is for exhibitors at the ASCL Annual Conference & Exhibition who want to make a real impact with their stand
- It will show you the options available to help you stand out from the crowd
- Simply choose the most appropriate graphic display options for your stand, brand and budget
- Then contact Lion Exhibitions to order your graphics and we'll make your stand look amazing

INFILL GRAPHIC PANELS

Your design is printed directly onto the panels used for the walls of your shell scheme stand, meaning your graphics are totally integrated into your stand. The panels are installed within the grooves of the metalwork of your stand when it is constructed.

BENEFITS:

- The graphics look slick and professional as they are fully integrated into the stand structure
- Your graphics are ready when you arrive at the show
- You can print on every panel, including side walls
- You can re-use them next time you have a shell scheme stand

COST:

- £160 + VAT per 1m wide panel

SEAMLESS GRAPHIC PANELS

Your design will be printed onto panels that we mount over the front of the stand wall, giving an unbroken, seamless wall of graphics – a huge billboard to bring your brand powerfully to life.

BENEFITS:

- Display a single floor-to-ceiling image several metres wide to create a powerful impact
- No upright poles to break up your image
- Graphics mounted professionally before you arrive at the event
- Can be re-used at future events

COST:

- £205 + VAT per 1m wide panel

PLINTHS & COUNTERS

Your designs can be printed onto the front and side panels of modular counters or plinths to extend your branding and give you the perfect platform to showcase your products, literature and giveaways.

BENEFITS:

- Branded counters 1m wide x 1m high with storage and shelf to the rear
- Branded Plinths to show off your star products
- Extend your brand beyond your walls
- Branding to the front and room to hide your bags inside!

COST:

- £204 + VAT per Counter with printed front panel
- £128 + VAT per plinth with 1 printed side

NEXT STEPS

- Choose the most appropriate option for your stand, your brand and your budget
 - Complete the graphics order form in your exhibitor pack or on the Lion website and send it to us
